

Company:	366 Designs
Location:	N/A
Status:	Casual, Contractor

Position:	Graphic Designer
Career Level:	Associate
Relevant Work Experience:	

366 Designs is a company that brings together international experts in design, marketing and development for a low cost, all-in-one, web solution. With contacts, contractors, and employees all around the globe, we offer a multinational approach to all our solutions.

Our employees are our greatest asset. We support a diverse workforce that strives to maximize the benefits from the positive energy we create. We pride ourselves on establishing relationships with people who share our vision while ensuring that our business practices are consistent with the highest principles of business ethics and standards.

Currently, 366 Designs is looking for a talented Graphic Designer to join our roster. With each contract, all team members on our roster are encouraged to supply a mock-up of a high impact and visually stimulating web site, as well as a quote, for consideration. All contracts will be awarded on an analysis of design and price, of which both must suite the client's needs. Enumeration will be paid in full upon delivery of the final product. As this is an international telecommuting position, all graphic designers are encouraged to apply.

Required Experience:

- Post secondary education with Graphic Design or related field, or equivalent combination of education & experience;
- Exceptional verbal communication & time management skills;
- Highly organized with the ability to multi-task & manage multiple deliverables & deadlines;
- High level of creativity & meticulous attention to detail;
- Experience using Adobe Illustrator, Photoshop, InDesign, QuarkXpress, Macromedia Flash and Dreamweaver applications
- Familiarity with HTML and XML
- Ability to work with little supervision from own location;

Responsibilities:

- Design dynamic websites;
- Submit mock-ups (in JPG format) & complete quotes, including time & price;
- Supply final sites in Multi-layered Photoshop Images.
